von Ehlinger: like you were enjoying it.

██████████: You're the one who had taken me to your room period.

von Ehlinger: And.

██████████: Look, dude we don't even have to talk about this. Like, obviously this isn't gonna go nowhere if we argue. Right?

von Ehlinger: Well...(inaudible).

██████████: You're, you're not giving me

von Ehlinger: Okay. I'm listening. Go ahead.

██████████: You. Uhm. Like, I just. I really just thought you were a genuine, like I'd said teddy bear, like. You are very respectful. You were so nice to me. You've given me things and car, like talked to me and respected me, and tried to be my friend. And I appreciate that. I appreciated that, like. It's just, I felt, uh, kinda disrespected when, uh, you were over me. Just, I don't know, like, it's just. Like I had told you, I'd already shared with you experiences in my life, you know like you've just kinda overstepped is all I'm trying to tell you. And I don't appreciate how you were because... no.

von Ehlinger: Well, I've again, apologize for making you feel uncomfortable. From my perspective we were kissing and, and seemed like we were having a moment and um, I was really enjoying it. Seemed like you were enjoying it. And uh, if I took it a step to far clearly you know.

██████████: Okay, so I enjoyed, I enjoyed you jacking off on me is what your telling me. Like that's what you're telling me.

von Ehlinger: Um, well I mean we were kissing, making out and, and uh, it seemed like you were enjoying that and (inaudible).

█: I told you to... whatever dude. You're such a – whatever dude. Like, you don't even listen to me. And you wan - you're asking for a second chance?

von Ehlinger: I listening to every word, but I'm just trying to like remind you that to me it seemed like you were

█: Okay. Then what the fuck happened to you? K- then what happened to you, huh? What happened to you, explain. I'm confused, if what happened to me didn't happen. Right? Jesus.

von Ehlinger: No, uh look, I'm just saying I was just trying to give like my perspective and saying to you that I thought you were enjoying

█: Dude.

von Ehlinger: So what we had together when we were kissing and all that and if you weren't then, then I apologize. You know. And it was after all that like, we were laying there cuddling, you were telling me I was a cuddly teddy bear and all that. So I thought that, that you were fine. You know clearly, you know since I made you feel uncomfortable uh....

█: I'm just mad you got off on myself. That's all. Is you just continued. Like why would you continue? I don't know. Like, I wasn't even, my boobs were just exposed. Like, I don't know. Dude, I jus, that's all. Okay. I've already told you how I feel. I'm just letting you know that all. And you can just fucking live your life. All be living mine. I got shit to do. You know me. I have a lot of jobs.

von Ehlinger: So, I mean if that's the way you want it, then I'll never bother you again. Yeah, but I hope you'll reconsider and, and take some time and consider giving me another chance. Cause I think you're a great person. A great gal and I think you have a seriously like, awesome bright future ahead of you and ...

█: Well, either way you've lied to me so I just don't want to talk to you. K.

██████████: went against me. I don't know.

von Ehlinger: Kay. So what I was thinking was we were kissing and making out for probably ten minutes. And, and then when I was uh, you know when I changed positions uh, and we were still kissing and all that it just, I um clearly made you feel uncomfortable. And um, I didn't know that at the time, but I do now. And that's why I'm, uh, like seriously remorseful about it. At the time I was thinking, like that you were enjoying it all cause it seemed like you really liked kissing me and all that.

██████████: You, you whatever. Enjoying what? Enjoying what?!

von Ehlinger: And, but...

██████████: What?! The what? Enjoying what?

von Ehlinger: Like the kissing and all that. Like the making out that's...

██████████: Oh my god. You were not doing anything for me. How was I supposed to enjoy that?

von Ehlinger: Um...

██████████: You just. No.

von Ehlinger: Well the kissing. I don't know. That's like the first thing people do I guess. I don't know. You start hugging and so.

██████████: No. Okay. Whatever.

von Ehlinger: So if you didn't like the kissing and the making out then I was not aware of that.

██████████: Oh okay. Right. O.K. cool. Then fine. Whatever. I'll just be fucking alone. Just. Be proud of yourself. I guess.

von Ehlinger: Why would you be alone when you don't have to be?

█: When I don't have to be. You just lied to me twice. Like whatever. I'm not going to talk to you if your just gonna act this way. Like, you know?

von Ehlinger: █ I'm not lying to you. I'm giving you the version of events as I recall them.

█: Kay. Great. Wow. I mean. Kay.

von Ehlinger: So

█: Right. That's not what I remember. What I remember is you groping me and touching me and kissing my body on your bed, and touching yourself, all over me. Like, I told you I didn't wanna put it in my mouth. Like I told you I didn't wanna do that. I said I was uncomfortable and I told you I didn't have birth control, like. There was so many reasons I was giving you, you know and then you had told me to, you told me. Yeah you were just a uncontrollable man. And you got on me. Try to put. Okay.

von Ehlinger: (In audible). And that's why we didn't. (inaudible). You, no you said....you said that you didn't have birth control.

█: I said I didn't. I told you. I don't have birth control.

von Ehlinger: And that's why. Yeah exactly. And that's why we didn't do any of that.

█: Okay and so you just jacking off on me was cool enough. Was like suffice for me? Like that was just something I was gonna, just enjoy?

von Ehlinger: You like did part of that with your hand freely without me doing anything.

█: Aahh! I didn't touch your fucking dick. Your nasty. Oh, okay. Yeah. You know what bye dude. [Tries to disconnect]. Fuck, how do I get out of this.

von Ehlinger: █.

█: Aahh, my phone.

von Ehlinger: Hey.

█: What?

von Ehlinger: So.

█: What?

von Ehlinger: So what are you saying that you don't want to talk again? Is that what I'm gathering?

█: I mean I've only said that like three times.

von Ehlinger: Okay. But then you said that you'd talk to me on Tuesday. So I'm just like.

█: Kay, no. I didn't. That was habit. Essentially I guess. I always say that to any Representative I talk to. See you Tuesday.
