RE: Hemp Products in Animal Feed & Remedies

Dear Sirs or Madams:

Please find enclosed memorandum outlining an update to the regulatory status of hemp and hemp-derived products in animal feed and remedies in Idaho.

Effective November 1, 2022, all hemp and hemp-derived animal feeds and remedies shall be removed from sale or distribution in the state of Idaho. These products are not legal in Idaho, and if found on or after November 1, 2022, will be subject to a stop sale and further action from the department.

You may address any response or questions to ISDA's Commercial Feed Program with the contact information provided.
