

**Parade Entry Requirement ADDENDUM**  
( signature required )

June 27, 2023

The intent and purpose of the Idaho 4<sup>th</sup> of July Parade from Boise is to celebrate our Nation’s founding through the signing of the Declaration of Independence in July 1776. This year’s theme is *Honoring our Founding Fathers and Mothers*. This is to bring our community together in celebration as one Nation, united.

As you finalize your preparation for the 2023 parade, we encourage all entries to review the Parade Entry Requirements found on [www.boise4th.com](http://www.boise4th.com).

Additionally, in consultation with local public safety officials, the parade organizers add the following parade entry requirement which all entries must follow:

*No open carry of weapons or firearms will be permitted. The only exception to this is sworn law enforcement officers, uniformed military Honor Guard personnel or those participating in an authorized armed Color Guard.*

This additional parade entry requirement ensures the focus on the parade’s intent to safely celebrate our Nation’s founding. The parade organizers greatly appreciate your adherence to this amended entry requirement. As with other previously stated entry requirements, the parade’s organizers maintain final discretion and approval authority to ensure all parade participants meet the entry requirements.
